No. ECE3/54/INNOVATE/2019 22.01.2019

Sir/Madam

Sub: - KSCSTE —TECHFEST – INNOVATE 2019 - reg.

With reference to your proposal on the above subject, I am happy to inform that KSCSTE has approved your project proposal entitled *'Design of Advanced Health Monitoring Mirror'* for a financial support of Rs. 18,000/- subject to the following conditions.

1. All the products/prototypes developed under INNOVATE scheme shall be demonstrated in TECHFEST-2019 which is to be held during 15th to 17th February 2019.
2. The financial assistance to the project selected under INNOVATE scheme shall be disbursed only after the successfully demonstrating the technology in TECHFEST – 2019 of KSCSTE.
3. The financial assistance is provided for covering the expenses for fabrication, consumables, contingencies and testing charges.
4. No financial assistance is extended for research literature, major equipment and travel (unless extensive travel is required for the work)
5. The Objectives, Methodology, Output, Application of the project to the society and other relevant details shall be displayed at TECHFEST-2019 in poster of size 120 cm (height) x90cm (width).
6. Excess expenditure incurred (if any) shall be met from the internal funds of the Institution/ other sources.
7. The Institution shall be the custodian of the projects supported under the INNOVATE scheme. It is the responsibility of the institution for safe handling and transportation of the projects to the TECHFEST-2019 venue, as it has to be taken into the stock of the Institution after the event.
8. The financial grant shall be released only based on the recommendation of an expert committee constituted by KSCSTE after evaluating the prototype of the project.
9. Head of the Institution should forward the project report with photographs of the product/prototype, copy of the participation certificate at TECHFEST-2019 and audited Statement of Expenditure and Utilization Certificate in the standard format after the completion of the project and exhibition at TECHFEST-2019.
   - *In the case of Govt. Departments/Autonomous institutions under the Government and Universities, audited SE and UC of the Financial Head counter signed by the Head of the Institution is acceptable.*
   - *In the case of affiliated colleges/institutions, the audited SE and UC signed by the registered Chartered Accountant counter signed by the Head of the Institution is essential.*

   However, KSCSTE may demand for the original bills and vouchers for verification at random.
10. The financial assistance will be disbursed to the Head of the Institution concerned, subject to recommendation of the expert committee and verification of audited financial statements.

If the above conditions are agreeable, you are requested to start design and develop the project, so as to present in TECHFEST-2019. You have to register separately to participate in the TECHFEST – 2019 of which the details are available in the Website: techfest.ktu.edu.in. Kindly refer the File No. in all future correspondence. Wishing you and your team All the best and with warm regards.

Thanking you.

Yours Sincerely

Dr. Ajit Prabhu V.

CONSENT FORM

Skill Delivery Platform- Kerala (SDPK)

Government of Kerala vide G.O.(Rt) No. 05/2017/ITD dated 11/01/2017 had given sanction for one of the prestigious projects of "Skill Delivery Platform of Kerala", a project linking all the 150 Engineering colleges in Kerala with the IT parks through a Tele-presence network. The project is aimed at creating State-of-the-art Technology enabled Learning platform that will enable remote delivery of high quality skills programme and industry – the platform to be enabled through dedicated network backbone, Telepresence solution and Learning Management system. The project will provide a learning platform connecting 150 Hi-Tech classrooms in the Engineering colleges of the state, which can deliver skills training to around 50000 students each year.

The participating institutes will have to provide the following as part of the setting up Hi-Tech classroom for the project and the cost of such setup has to be borne by the participating institute:

List of items to be created / procured/ provisioned by participating institute	***Estimated Cost***
• Creation of a 66-70 Seat classroom Min. around 1200 sq.ft. (40ftx30ft) • Provision to securely connect Tele-presence equipment (storage rack/equipment rack) • Provision of flooring, false ceiling, acoustic panels etc. as required. • Power, Lighting, AC etc. • Classroom furniture (desks to have provision for connecting Power, LAN extensions etc. for computing devices and mics) • UPS (Minimum 1 hour backup) for uninterrupted conduct of live classes • Security to ensure safe keeping of implemented equipment (cc camera or access card system to ensure only authorized access) • Any other accessories required to support the installation of Tele-presence Classroom.	Rs 18-20 Lakhs (The colleges can use existing infrastructure to support the project)
Computing devices (66-70)	Private Self Financing colleges should provide the required Computing devices in the classrooms (estimated cost around Rs 25– 28K for such devices)

Apart from agreeing to the college infrastructure setup, the participating colleges should ensure that they provide at least one batch (66-70 students) towards each of the skill programme that would be run through SDPK platform from time to time.

The installed devices shall be the property of Govt. and the upkeep of the installed equipment is the responsibility of participating institutes. While the selected vendor for the project will fulfil the on-going regular maintenance of the equipment, any damage due to mishandling of equipment should be rectified by the colleges at their own cost.

The participating college shall appoint a nodal officer for the SDPK project to co-ordinate the implementation of infrastructure and conducting the courses as part of the project.

Name of Nodal Officer: ANEESH. K

Contact Number : 09846481364

Email id : aset.sdpk@gmail.com

We hereby agree to provide the above mentioned infrastructure for the implementation of SDPK project in our college and extend our support for scheduling and conducting the courses as part of the project.
