No. 7132 ₹ 100/-.
Ahalia School of Engineering and Technology Palakkad

AGREEMENT

This Agreement is entered into and executed on this 18th June, 2018 at Palakkad

BY AND BETWEEN

BPL Telecom Private Limited, Palakkad, one of the leading telecom company that provides cutting edge solutions, services and products in the broader areas of consumer telecom products, Enterprise communications and Power Line Communication Equipment for the power utility segment is the **ONE PART**

AND

Ahalia School of Engineering & Technology represented by its Principal, having its office at AHHKV, Kozhippara PO,Palakkad,678557(which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include their executors, administrators and assigns), party of the **SECOND PART**.

WHEREAS, the **Ahalia School of Engineering & Technology** has initiated a scheme to provide inplant training to their students whereby the institute will encourage it's students to participate in the Training Program offered by BPL Telecom, Palakkad, in the telecom domain to meet their academic requirements of Industrial trainings.

WHEREAS under the scheme BPL is required to perform the role and function of providing inplant training to all the registered students, in telecommunication and all other related areas.

WHEREAS the Second Party has expressed its keen interest and desire to be a key partner in the smooth conduct of the Training Program in terms of the objectives of the scheme and particularly in view of the desire and interest of Ahalia School of Engineering & Technology to join and partner with BPL Telecom in providing industry based training to their students.

WHEREAS both parties have held discussions and agreed for collaboration for conducting Inplant training and similar, **whereby Ahalia School of Engineering &**

Technology Palakkad will encourage students for attending the training programme and BPL will impart first-hand training in the telecom domain, to the registered students.

THEREFORE, both the parties hereby agree that BPL shall be known as and perform the role of "Training Providers" under the scheme to provide inplant training to the students of Ahalia School of Engineering & Technology on the following terms and conditions :-

1. BPL Telecom will formulate training programs to impart quality training to the students of the Institute by giving access to the facilities in BPL Telecom.
2. The Institute will encourage it's students to select the Training Programs offered by BPL Telecom preferably in batches, with a view of getting first-hand knowledge in the telecom domain as well as to meet their academic requirements of Industrial/Vocational training. The Institute will **try to send** at least 30 students in the Programs per academic year.
3. BPL Telecom will try to schedule its courses specifically for the students of the Institute. Students of the Institute would be allowed to finish the BPL Telecom Training in one week of Monday to Friday at 10 AM to 4 PM .
4. Prescribed fees is applicable for the industrial/internship training for each student. Any changes to the rates will be mutually agreed and communicated to the Institute by BPL Telecom in a timely manner by means of brochures, email or similar means.
5. The Institute will nominate a faculty member, preferably HoD of Electronics and Communication department for coordinating the smooth conduct of all scheduled courses. BPL Telecom will convey the contact details of Co-coordinators of training programs to the Institute from time to time.

Period of MOU:

This MOU shall come into force on 18th June 2018 and will be valid for 3 years and is open to mutual revision and further renewal.

Settlement of Disputes:

Any dispute arising about any aspect of the MOU shall be settled through mutual consultation and agreement, by the parties in this MOU. Any dispute arising which cannot be amicably settled shall be referred for adjudication/ arbitration in accordance with Arbitration and Conciliation Act 1996 with venue at Palakkad.

Termination:

Either party will have the right to terminate the MOU, if circumstances so arise by giving one month notice to the other party.

SUB TREASURY 19 AUG 2022 CHITTUR, PALAKKAD

P. KOCHUGOVINDAN S.R.O VENDOR
KOZHINJAMPARA

1. Preamble

Green Ahalia, Ahalia International Foundation, Kozhipara, Palakkad.

Green Ahalia is a part of Ahalia international foundation located at Kozhipara, Palakkad. GA AIF is engaged in Biodiversity conservation, sustainable use, education, research and outreach activities started functioning since June 2017. It has facilities like thematic gardens, Mist chamber, Green houses and nursery. It has collaborative projects with KFRI, IFGTB and so on for developing models and creating germplasm banks. GA also offer platform for internships to post graduate students in biology. It also promotes herbal gardens and medicinal plant cultivation.

KSCSTE - Kerala Forest Research Institute, Peechi, Thrissur, Kerala

KSCSTE - Kerala Forest Research Institute (KFRI) is a multidisciplinary team of experts conducting research on tropical forests and forestry. This Institute has contributed significantly to research in tropical forestry and biodiversity conservation over the past three decades of its existence. Founded in 1975, Institute is envisioned as a Centre of Excellence in Tropical Forestry to provide scientific support for decision making on matters related to forestry, with particular emphasis on conservation, sustainable utilization and scientific management of natural resources. In 2003, KFRI was amalgamated with the Kerala State Council for Science, Technology and Environment (KSCSTE), an autonomous body under Science and Technology Department, Govt. of Kerala

Both **GA AIF** and **KFRI** Understand that working jointly together will be mutually beneficial for medicinal plant conservation and biodiversity research that will be of great relevance in the present time. Major areas of mutual interest includes, biodiversity conservation, sustainable utilization of NTFP's, research on habitat ecology, germplasm of medicinal plants, Plantation models and cultivation package. Therefore, both the parties here agree to undertake responsibilities individually and jointly for conducting Collaborative Research and support each other as stated below with the following objectives.

1.0. Objectives

a. Carry out collaborative research projects in the area of Biodiversity conservation, developing cultivation models, evaluation of specific agro technology and assessment of site suitability.

b. Studies on habitat ecology, Biochemical analysis and nutrient studies, on specific resource.

c. conducting awareness and outreach programmes.

KSCSTE Kerala Forest Research Institute P O Peechi 680 653 Thrissur, Kerala

KERALA * AHALIA INTERNATIONAL FOUNDATION * POST BOX NO.128 PALAKKAD

2.0. Roles and Responsibilities

The **GA AIF** and **KSCSTE - KFRI** agree to the following broad roles and responsibilities:

2.1 GA AIF:

2.1.1 Shall provide site facilities for implementing mutually beneficial joint research projects as per requirement subject to availability of suitable land, habitat and expertise in terms of man power.

2.1.2 Shall maintain and evaluate performance of the plots during the project period and conduct follow-up studies.

2.1.3 Provide access to scientific materials of common projects and allow data collection as per mutually agreed terms and conditions laid down on case to case basis.

2.1.4 GA AIF will designate a person as nodal point for communication between the two organizations.

2.1.5 Will look for collaborative, mutually beneficial projects and prepare such applications jointly whenever feasible.

2.1.6 Shall organize and participate in progress evaluation meetings jointly with KFRI at specific time gap annually of more frequently as warranted by the project.

2.2 KFRI:

2.2.1 All the collaborative research activities that are mutually beneficial will be supported in a project mode and provide guidance in implementing the research activity through the expertise available in the institute on case to case basis.

2.2.2 The scientific facilities available at KFRI will be shared as per requirements based on the existing rules from time to time as per project demand.

2.2.3 KFRI will try to provide planting materials required for the research from it stocks as per availability following existing rules and regulations.

2.2.4 KFRI will nominate an officer as Nodal Officer for overseeing the collaborative projects so developed from time to time.

2.2.5 Shall facilitate holding evaluation and monitoring of progress of joint projects implemented.

KSCSTE Kerala Forest Research Institute
P O Peechi

Thrissur, Kerala

AHALIA INTERNATIONAL FOUNDATION
POST BOX No. 1
PALAKKAD.

2.2.6 Shall help in training and capacity building programmes as and when required subject to availability of expertise, need and convenience.

2.3 Joint responsibilities:

2.3.1 Evaluation, monitoring and project management to ensure success.

2.3.2 Publication giving due credits to each organization and staff involved.

2.3.3 The IPR issues will be shared jointly, if any based on the outcome of collaborative projects.

3.0. Period of MoU:

3.1. This MoU shall be valid for a period of five years from the date of signing the agreement, and its extension, continuation or otherwise shall be jointly decided by GA AIF and KFRI two months prior to expiry of the above period. However, the rights/obligations arising from the implementation of the MoU shall survive until the termination of the MoU.

3.2. The MoU may be terminated by either party after giving a notice of 60 clear days provided that this clause will be operative only if either party violates the terms of MoU or if the parties feel that no useful purpose would be served in further continuing it either due to change in circumstances or change in constituting parties.

4.0 Arbitration

In the event of any dispute or difference between the parties hereto, such dispute or difference shall be resolved amicably by mutual consultation.

MEMORANDUM OF UNDERSTANDING

CL.1 THE MoU

CL.1.1 THIS AGREEMENT made and entered into on this 05th day of August 2022 between the COUNCIL OF SCIENTIFIC & INDUSTRIAL RESEARCH, a Society registered under the Societies Registration Act (XXI of 1860) and having its office at Anusandhan Bhavan, 2, Rafi Marg, NEW DELHI-110001 (hereinafter referred to as CSIR) through CSIR-National Botanical Research Institute, Rana Pratap Marg, Lucknow – 226 001 (hereinafter called "CSIR-NBRI" which expression shall where the context so admits include its successors and permitted assigns) of the **ONE PART**,

And

CL.1.2 Green Ahalia is an initiative under Ahalia International Foundation, a Registered Charitable Trust (Reg. no. 699/IV/2003) registered under Indian Trust Act 1882, having its office at Kozhipara, Palakkad, Kerala of the **OTHER PART**.

3/8/22

Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.shcilestamp.com' or using e-Stamp Mobile App of Stock Holding. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

CL.2 PREAMBLE

CL.2.1 Whereas CSIR-NBRI is working in areas of multidisciplinary research in plant sciences and has developed expertise to develop plant and microbe based technologies and services, products and created infrastructure facilities for diverse aspects of research and development including documentation, systematics, conservation, species and habitat conservation assessments, prospection and genetic improvement of plant diversity, sustainable development and human welfare.

CL.2.2 And whereas Green Ahalia holds a collection of diversified plants and our aim is to projecting and conserving bio resources, preserving a germplasm, promoting sustainable use.
Now therefore, in consideration of the premises and mutual covenants hereinafter contained, the parties hereto agree as follows:

CL.3 SCOPE OF THE AGREEMENT

CL.3.1 This MoU details the terms and conditions of financial arrangements, modalities of collaboration, intellectual property rights responsibilities and obligations of the Green Ahalia and CSIR-NBRI. Both the parties undertake to co-operate in the following ways:

1. Utilizing and leveraging the facilities and plant resources on mutual agreement for the activities agreed under the MoU.
2. Encourage academic exchange and collaborative works through projects.
3. Organizing seminars, training, workshops, capacity building and other academic programmes jointly in the purview of mutual interest.

CL4. FINANCIAL ARRANGEMENTS

CL.4.1 Financial commitment for joint activities under this MoU shall be mutually decided between both the parties, on case to case basis, as per mutually agreed terms (MATs), Material Transfer Agreements (MTAs), national/international laws, policies, agreement relevant to the research areas of mutual cooperation, and shall be subjected to the approval by the competent authority of the respective organizations.

CL.5 MODALITIES OF ASSOCIATION

CL.5.1 Under this MoU CSIR-NBRI shall work JOINTLY with Green Ahalia for promoting the R&D works related to undertake:

1. collaborative research on *ex-situ* and *in-situ* conservation of endemic and threatened plants, wild ornamentals and other plant genetic resources, including establishment of field germplasm banks.
2. the joint field surveys for floristic exploration in protected areas including Biosphere Reserves.
3. the bioprospection of plant resources for subsequent product development.

21/3/22

CL.6 INTELLECTUAL PROPERTY RIGHTS

CL.6.1 The intellectual property rights (IPRS) generated from work undertaken under this MoU will be equitably shared by both the parties, based on mutual agreement. This will be as per the CSIR Technology Transfer Guideline 2017.

CL.7 VALIDITY

CL.8.1 The validity of this MoU shall be 60 Months (five years) from the date of the signing. The duration may be extended on mutually agreed terms. Any amendment to the Memorandum of Understanding will require written approval of each of the parties. After the initial five-year period, this Memorandum of Understanding may be renewed by mutual consent in writing. Either party reserves the right to terminate this Memorandum of Understanding upon 6 (six) months' written notice in advance. Any programme or activity that has already commenced shall be completed to the best of both parties' abilities. The parties may extend or renew this MOU with mutual agreement, and signed by each Party's authorized signatory.

CL.8 FORCE MAJEURE

CL.8.1 Neither party shall be held responsible for non-fulfilment of their respective obligations under this agreement due to the exigency of one or more of the force majeure events but not limited to acts of God, War, Flood, Earthquakes, Strikes, Lockouts, Epidemics, Riots, Civil commotions etc., provided on the occurrence and cessation of any such event, either CSIR-NBRI or Green Ahalia affected thereby shall give a notice in writing to the other party within one month of such occurrence or cessation. If the force majeure conditions continue beyond six months, the parties shall jointly decide about the future course of action.

CL.9 NOTICE

CL.9.1 All notices and other communications required to be served on Green Ahalia under the terms of this MoU shall be considered to be duly served if the same shall have been delivered to, left with or posted by registered mail to the party at its last known address of business. Similarly, any notice to be given to the CSIR-NBRI shall be considered as duly served if the same shall have been delivered to, left or posted by registered mail to the CSIR-NBRI at its registered address in Lucknow.

CL.10 ARBITRATION

CL.10.1 In the event of any question/dispute/difference arising under the agreement or in connection herewith (except as to matters the decision of which is specially provided under this

agreement) the same shall be referred to the Delhi International Arbitration Centre for appointment of Arbitrator to adjudicate the dispute.

CL.10.2 The award of the Arbitrator shall be final and binding on the parties. The Arbitrator may give interim award(s) and/or directions, as may be required.

CL.10.3 Subject to the aforesaid provision, the Arbitration and Conciliation Act, 1996 and the rules made hereunder and any modification thereof from time to time being in force shall be deemed to apply to the Arbitration proceedings under this clause.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is executed at on this **20th** day of **January 2015**,

Between

Ahalia School of Engineering and Technology, Palakkad
(hereinafter referred to as "ASET" which expression shall unless repugnant to the context or meaning thereof, be deemed to mean and include its affiliates, successors and permitted assigns) as one part.

AND

Hykon India (P) Ltd., Thrissur
(hereinafter referred to as "Hykon" which expression shall unless repugnant to the context or meaning thereof, be deemed to mean and include its affiliates, successors and permitted assigns) as other part.

ASET and HYKON are individually referred as *Party* and jointly referred as *Parties*.

No. 17850 DATE 13.1.15 VALUE 100/
NAME: AHALIA SCHOOL OF ENGG. & TECHNOLOGY
SUB TREASURY

Ahalia School of Engineering & Technology (ASET), Palakkad is the first technical education venture by the Ahalia Group to provide world class technical education and training in the fields of Science, Engineering, Technology and Management to meritorious students from diverse socio-economic backgrounds. The college situated in the lush green campus provides a congenial atmosphere. The college is having dedicated and highly qualified faculty to provide quality education. Modern class rooms and Seminar halls, Laboratories with world class facilities, exclusive training and placement cell, hostels for boys and girls with modern facilities etc. are some of the salient features of Ahalia School of Engineering and Technology.

HYKON, Powering the Nation, an ISO 9001 company, is a pioneering presence in the field of power electronics with varied interests in Medical transcription, Information Technology, Solar Energy so on and so forth. Mr. Christo George, a committed and dedicated technocrat, set it up in 1991. Under his able stewardship the company has made rapid strides. Now Hykon is a multi-crore turn over company that directly employs more than 450 employees. What started out as a company with just 5 employees, Hykon branched out in to an aspiring group of 4 companies with diversified activities. Hykon have received ISO 9001 for 3 of its group companies and is in the process of implementation of Total Quality Management.

Hykon India (P) Ltd
Hykon Solar Energy (P) Ltd
Hykon Power Electronics (P) Ltd
Hykon Transcripts (P) Ltd.
Hykon Transcripts Inc. USA

MoU between ASET and HYKON:

After studying their strengths and objectives, the parties agreed that they can share the expertise available at both ends for mutual benefits in the field of education, training, scientific and industrial research and enter into a MoU. Based on the discussion held among the faculty members of **ASET** and **HYKON** certain thematic areas / programmes have been identified for mutual collaboration.

The MOU envisages the following:

Collaborative technical and development activities in the fields of education and training are listed below. The following activities will be carried out between **HYKON** and the **Department of Electrical and Electronics Engineering** of ASET.

1) **Industrial Projects**

HYKON shall provide in-plant training to B.E. / B.Tech. students of **ASET** with a maximum of **4 persons / batch and only 3 batch of students can be provided training in a semester.**

3) **Internships**

HYKON shall agree to provide internships for the B.E. / B.Tech. final year students of **ASET** for duration of 2 weeks to 12 weeks in consultation with **ASET**

HYKON shall provide industrial projects, in-plant training and internship to students of ASET at an affordable cost depending on the time duration.

4) **Industrial Visits**

Industrial visits & project work for the students to be carried out at **HYKON**, if the training projects and infrastructure facilities available at **HYKON** fit the requirement of the students of **ASET**.

5) **Guest Lectures**

HYKON experts can deliver guest lectures or act as visiting faculty in their area of expertise depending on their availability.

6) **Research and Consultancy**

HYKON can use the services of the department of Electrical and Electronics Engineering, ASET for their research and consultancy activities.

CONFIDENTIALITY:

The Parties hereby agree not to disclose or divulge any confidential information which is not generally available to public but received from a Party to any third person.

ARBITRATION

Any dispute or differences arising out of interpretations of any of the clauses listed shall be resolved by mutual consultations and if any arbitration is needed the matter shall be referred to the **Principal**, Ahalia School of Engineering and Technology and **Chairman and Managing Director**, HYKON India (P) Ltd., and their decision shall be binding on all the parties to this MoU.

DURATION, AMENDMENT & TERMINATION OF THE MOU:

This agreement will be in effect initially for a period of two years from the date of signing of this MOU by both the parties and will be renewed further if mutually agreed. Either party may terminate the agreement by written notification signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party three months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honoured and continued by both parties until such commitments are completed.

The jurisdiction for this MoU shall be at Palakkad.

IN WITNESS WHEREOF, the Parties hereto have executed and delivered this Memorandum of Understanding as of the date first above written.

TERMS OF UNDERSTANDING:

1. Background

K-DISC through its district arms the District Innovation Councils (DICs) have initiated the One District One Idea - MSME Innovation Clusters programme (ODOI). In Districts Core Groups consisting of General Manager Industries, District Mission Cordinators/Assistant Mission Cordinators in charge of Micro Enterprise Development and Startup Village Extension Programme, faculty members from the Commerce and Economics Departments in Arts and Science colleges, Mentors of K-DISC identified by Kerala Start Up Mission(KSUM), experts from Center for Management Development and MSME Development Institute, empaneled energy auditors from Energy Management Centre and Program Executives of K-DISC.

Office
PRINCIPAL
AHALIA SCHOOL OF ENGINEERING & TECHNOLOGY
PALAKKAD-678557
26-11-2021

18 NOV 2021

As a part of this programme clusters have been short listed and the District Core Group has started collecting preliminary details of the cluster group. Based on the attitudes and capabilities of the clusters a few clusters are likely to be short listed. These are likely to be allotted to academic institutions shortlisted under this EOI for action plan development and for development as innovation clusters.

ASET has undertaken lot of consultancy works from both government/public undertakings and private sector and provided valuable contribution using its resources, expertise in designing of structure, measurements and supervisory role in the execution of projects and also the advanced labs of institution for various tests required for completion of the projects.

2. Objectives: -

The objective of the EOI/MOU is to seek professional support from academic institutions in Kerala for developing innovation action plans for MSME clusters.

3. Confidentiality: -

1. All information in whatever form or mode of communication, which is disclosed by a party(**Disclosing Party - KDISC**) to any other party (Ahalia School of Engineering and Technology) in connection with this MoU during its implementation and which has been marked as "confidential" at the time of disclosure, or which the Recipient can reasonably be expected to regard as confidential information, is **"Confidential Information"**, but Confidential Information does not include any information that is in the public domain other than as a result of breach of this Letter of Intent, is known to or has been developed by the Recipient independently of this Letter of Intent or is required to be disclosed pursuant to applicable law.

2. The Recipient hereby undertakes for a period of 3 years after termination of this MoU not to use Confidential Information otherwise than for the purpose for which it was disclosed, and not to disclose Confidential Information without the prior written consent of the Disclosing Party. Recipients shall be responsible for the fulfillment of the above obligations on the part of their employees or third parties to whom Confidential

Information is disclosed.

3. The confidentiality obligations above are legally binding.

4. **Terms of Engagement**: -The Institution shall undertake the following activities in the Cluster group allocated by K-DISC

i) To continue the process of initial identification of the cluster and the initial consultations done by the core cluster groups.

ii) To re-assess the records of initial consultations done by the core groups to record the ODOI data sheet covering HR, structural and relational capital and addressing any gaps in understanding.

iii) To crystalize and improve upon the consultations undertaken by the District Core Group. On inspiring the clusters for innovation and pursuing consultations on sustain innovations.

iv) To undertake a diagnostic study of the cluster and identify areas of innovation of the cluster based on the inputs obtained from the Digital University.

v) To identify through consultation and propose a sustainable structure for action plan implementation.

vi) To develop the innovation action plan on the board contours outlined in Annexure 3 appropriately keeping in, mind the indicators for innovation.

vii) To help the cluster team submit the necessary documentation for the innovation challenge through ICT platform being developed by ICT Academy covering the documentation indicated in 6 above along with relevant cluster particulars.

viii) To help, guide and lead the cluster teams' presentations at the ODOI Innovation challenge and proactively interact with the evaluation team.

ix) Prepare a costing for the institutional support necessary for executing the implementation of Innovation Action Plan and submit the same to K-DISC.

x) To proactively interact with the district core group and District Innovation Council and Digital University for successful completion of the action plan preparation and its submission.

Memorandum of Understanding between IRTC Palakkad and Ahalia School of Engineering and Technology, Palakkad

This Memorandum of Understanding (herein after referred to as MoU) is made on the 1st day of April, 2022 between Director, Integrated Rural Technology Centre (herein after referred to as IRTC) which is a grant in aid institution of Kerala State Council for Science, Technology and Environment (KSCSTE), Govt of Kerala, with registered and corporate office at Palakkad on one part and Ahalia School of Engineering and Technology, Palakkad an Engineering College under Directorate of Technical Education, Government of Kerala, mentioned hereafter as "ASET, Palakkad", on the other part as partners for promoting the industry-academic interaction activities and to help achieve academic excellence of Ahalia School of Engineering and Technology, Palakkad

No: 81380
Value Rs. 100/-
Sold to: Ahalia School of Engineering & Technology. Palakkad
Dated on: 5-2-2022

P. RAVINDRANATHAN
DISTRICT COURT VENDOR
PALAKKAD

DISTRICT TREASURY PALAKKAD
03 FEB 2022

WHEREAS both IRTC and ASET, Palakkad, (herein after called 'Parties') desires to carry out programs for promoting industry-academic interaction, herein referred to as "Program", jointly with the diligence and efficiency as desired within this MoU in conformity with appropriate administrative, financial and educational practices and implement all such plans and activities and reforms as required for the Program.

WHEREAS the IRTC and ASET, Palakkad agree to enter into industry-academic interaction programs, and both the parties agree to enter into an MoU with the terms as follows.

OBJECTIVES OF INDUSTRY-ACADEMIC INTERACTION PROGRAMME

The major objectives for which the parties associate with each other are:

a. To effectively share the facilities and expertise for improving the capabilities for advanced education and research.
b. To facilitate academic and research interactions among employees of both Institutes.
c. Increase the relevance of the academic research and consultancy in the research and product development initiatives at IRTC
d. Collaborate to share and exchange information between both parties for mutual benefit and knowledge enhancement
e. To enable the use of laboratories and test facilities in ASET, Palakkad on a preferential basis and concessional rate by IRTC and vice versa.
f. To provide opportunity for students from undergraduate, graduate, and research scholars of ASET, Palakkad to undertake industrial training and projects in IRTC for mutual benefit.
g. To encourage the training of employees of IRTC in Continuing Education activities, Skill development activities and Subject up gradation workshops using the facilities of ASET, Palakkad.

h. To provide expert faculty from IRTC for academic and training programs of ASET, Palakkad.

i. To provide advice in formulating curriculum and syllabus of courses of ASET, Palakkad by the experts from IRTC

j. To conduct joint/collaborate research and consultancy.

THE PROGRAMME

This MOU is to formalize joint program activities that will help ASET, Palakkad to enhance its research and educational capabilities, and IRTC in achieving its business objectives. The following activities are indicative of the types contemplated through this joint program:

JOINT PROJECTS

Faculty and Students from ASET, Palakkad will participate in product development activities through projects sponsored by IRTC or through joint collaboration with IRTC and ASET, Palakkad.

RESEARCH PARTICIPATION AND COLLABORATION

Visits of faculty, staff, and students of ASET, Palakkad, to IRTC facilities for consultations, meetings, workshops, short courses, and research participation will be encouraged and facilitated. In addition, consultancy tenures for summer or sabbatical periods may be sponsored when appropriate for longer-term collaboration.

STUDENT INTERNSHIPS AND EMPLOYMENT

Students will be encouraged to take advantage of the opportunities that exist at IRTC facilities to understand high technology research, development, manufacturing and marketing. Participation in programs that allow students to gain valuable experience & training as interns will be encouraged. However IRTC will have no obligation to hire the student interns from ASET, Palakkad.

IRTC will also provide mentoring to students chosen in concert with ASET, Palakkad. These students will be mentored by experienced engineers from IRTC who may also act as their project guides and advisors.

COURSES, SEMINARS AND WORKSHOPS

IRTC and ASET, Palakkad will each other inform, and make available, on an "as-available" basis, slots to personnel in short courses, lectures, workshops and seminars conducted by them covering various areas of common interest. ASET, Palakkad may also develop programs and conduct courses for IRTC personnel. IRTC will also support ASET, Palakkad, in the development and coordination of conferences and workshops in areas of mutual need and concern. ASET, Palakkad are in consensus to depute its students / staff to for the ten skill development courses viz. 1). Certificate Course in Solid Waste Management (Duration:3 months) 2). Certificate Course in Water & Wastewater Analysis, Treatment technologies and Application (Duration: 3 months) 3). Certificate Course in Geoinformatics (Duration:3 months) 4). Certificate Course in bird watching Bird Identification and Basic Ornithology 5). Certificate Course in Solar Energy Conservation & Energy Enterprise (Duration:3 months) 6). Certificate Course in Soil, Water and Instrumentation (Duration:3 months) 7). Certificate Course in Intensive fish farming diseases and marketing (Duration:3 months) 8). Certificate Course in Watershed Development (Duration:4 months) 9). Certificate Course in Horticulture Nursery Management and Production of Mushroom (Duration:4 months) 10). Certificate Course in Soap &

Toiletries (Duration:4 months). Also the project in the curriculum of above courses assigned to each student will be considered as equivalent to the project / Internship of the respective deputed student from ASET, Palakkad.

IMPLEMENTATION AND MONITORING

For implementing and monitoring of the program, IRTC and ASET, Palakkad also agree that:

a. The interaction between IRTC and ASET, Palakkad will be implemented by creating a Coordination Cell both at IRTC and ASET, Palakkad.
b. Each such cell will be headed by an employee nominated by the respective Head of institution who shall be designated as Network Coordinator and whose main responsibility will be to execute and coordinate all activities envisaged under this MoU.
c. IRTC and ASET, Palakkad will constitute a Network Coordination Committee (NCC) for regular monitoring of the activities and achieving the set targets. The Committee will meet at least once in six months and review the progress.
d. If the activities could result in the form of publication/patent then the IPR will be with both the institutes with due percentage share agreed upon.
e. Notwithstanding this MoU, IRTC and ASET, Palakkad will sign separate agreement for specific projects

NON-DISCLOSURE OF CONFIDENTIAL INFORMATION

IRTC and ASET, Palakkad also agree that they will abide by the non-disclosure of any confidential information exchanged during the Program.

FINANCE

Regarding the financial arrangements during the Project implementation, IRTC and ASET, Palakkad further agree to:

a. Both the institutions will engage services of the existing employees for the Program and no additional staff will be provided.
b. Both the partners will utilize existing infrastructure for industry-academic interaction arrangement.
c. All expenses in connection with implementation and monitoring TA/DA, boarding/lodging and conveyance of members will be borne by the respective institutions.

INDEMNITY

Both parties hereby indemnify and shall keep indemnified and protected the other party and their respective officers and employees from and against any claims or actions arising out of or in any way relating to the provision and implementation of the Program as per this MoU.

DURATION

This MoU will be active for a period of five years from the date of this MoU. It will be extended for further period by mutual consent.

TERMINATION

Either party has the right to terminate this MoU by giving ninety days written notice to the other party.

JURISDICTION

In the event of any dispute arising out of this MoU, the parties agree that the courts of Palakkad, Kerala alone will have jurisdiction.

The two parties of this MoU agree to act in good faith and in a spirit of mutual understanding and accommodation to facilitate the achievement of goals set under the Program.

IN WITNESS WHEREOF the parties here to have caused this MoU to be signed in their respective names as of the day and year.

MEMORANDUM OF UNDERSTANDING
AHALIA SCHOOL OF ENGINEERING & TECHNOLOGY
AND
PROLIFIC SYSTEMS AND TECHNOLOGIES PVT. LTD.,

THIS **MEMORANDUM OF UNDERSTANDING (MOU)** made and executed On this **21st** day of, **October 2017** between: **AHALIA SCHOOL OF ENGINEERING & TECHNOLOGY,** an educational institution, situated at Palakkad, Kerala 678557, and represented by **Dr. B.G. Vishnuram M.E., Ph.D., Principal** hereinafter Called **ASET** (Which expression shall include its successors and assigns) of the first part;

AND

PROLIFIC SYSTEMS AND TECHNOLOGIES PVT. LTD., a company registered and having its Branch office at No.3/84, New scheme road P N Palayam Coimbatore 641037,and represented by, **Mr. R.Anantharaman, Associate Director,** hereinafter referred to as **Prolific**, which term shall mean and include, unless repugnant to the context and meaning thereof, its Successors, legal representatives and assigns, of the other part;

21/10/2017
PRINCIPAL
AHALIA SCHOOL OF ENGINEERING & TECHNOLOGY
PALAKKAD- 678 557

Whereas, ASET is in the field of education, imparting knowledge to students aspiring to be Engineers and Technologists.

Whereas, PROLIFIC is one of the reputed turnkey automation solutions provider and Asia's Number One Vocational training company having fully equipped facilities at 28 branches all over India.

And whereas, both **ASET** & **PROLIFIC** have agreed to form a '**STRATEGIC ALLIANCE**' for providing industrial inputs to the Engineering students for mutual benefit.

And whereas, on the faith and strength of such representation and warranty, both **ASET** and **PROLIFIC** have agreed to enter into this Memorandum of Understanding as per the mutually agreed clauses as agreed below:

1. Provision of Supplies and Services:

ASET shall provide Prolific the facilities and qualified personnel to impart training as mutually agreed to and each personnel shall perform to the best of his/her ability during the term of the contract; likewise **PROLIFIC** shall make available their facilities for special projects and also for training of **ASET** personnel. In addition, **PROLIFIC** shall depute their experts for necessary training at **ASET** and depending upon nature and degree / level of specialization, **PROLIFIC** shall train faculty and students of **ASET** on selected topics. All decisions under this clause will be taken between the parties hereto only after prior consultation. Training will be conducted at mutually convenient dates.

ASET shall provide infrastructure as required by the company for conducting training, lectures etc.

PROLIFIC shall conduct training on core areas such as PLC's, SCADA, DCS, Embedded systems, Drives, Field instrumentation, Robotics, PCB Designing, Matlab, ARM, PIC and Advanced Mechanical Systems.

PROLIFIC shall deliver special lectures on advanced topics.

2. Scope of Activities:

Details of activities are included in annexure-I.

3. Non-Exclusive Relationship:

This agreement is non-exclusive in nature and both **ASET** and **PROLIFIC** shall retain their right to perform their obligations with any other party during the term of this **MOU**.

4. Independent Contractors:

PROLIFIC and **ASET** hereby agree that each is an independent contractor and this MOU doesn't mean that one is an agent of other or of each other, and neither party shall be entitled to bind, by its acts, omissions or otherwise, the other party.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

AHALIA SCHOOL OF ENGINEERING AND TECHNOLOGY (ASET)
AND
STEELMAX ROLLING MILLS LTD.

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on 09th of February 2022 by and between.

Ahalia School of Engineering and Technology (ASET), the First Party represented herein by its Principal, Dr. P.R, Sreemahadevan Pillai, and Steelmax Rolling Mills Ltd., the Second party, and represented herein by its Director and CEO, Mr. Shabir Koodathil,

Reg. 86378
Value Rs. 100/
Sold to: Ahalia School of Engineering & Technology
Dated on: 03 FEB 2022

WHEREAS:

A) First Party is a Higher Educational Institution named: **Ahalia School of Engineering and Technology (ASET),**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intend to cooperate and focus their efforts on cooperation within the areas of Skill Based Training, Education, Placement, Industrial Visit and Expert Lecture.

D) **Steelmax Rolling Mills Ltd.** - the Second Party is one of the leading TMX steel bars manufacturers

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish cooperation.

1.2 First Party and Second Party cooperation will facilitate effective utilization of the intellectual capabilities.

1.3 The parties shall cooperate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2: SCOPE OF THE MoU

2.1 Industrial Training & Visits:

Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students' work. Also, the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures:

Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 **Placement of trained students:**

Second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **Ahalia School of Engineering and Technology (ASET)**, the first party to take up any program mentioned in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3 : VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms.

CLAUSE 4: RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Memorandum of Understanding

Texas Instruments (TI) Innovation Lab at Ahalia School of Engineering and Technology, Kozhippara, Palakkad

This memorandum of understanding is signed on the 6th day of May 2017, between the following institutions:

a. STEPS Knowledge Services Pvt Ltd, Coimbatore which is the University Program Partner of Texas Instruments ,India, herein after referred to as STEPS

b. Ahalia School of Engineering and Technology, Kozhippara, Palakkad , herein after referred to as ASET

TREASURY 26 JUN 2017

26133
1001 —
Ahalia International Foundation
13.7.17

K. RAVINDRANATHAN
HIGH COURT VE...

This Memorandum of Understanding is proposed in order to establish a Texas Instruments Innovation Lab which will facilitate teaching Centre facility in the area of TI Analog System Design and Embedded Systems at Ahalia School of Engineering and Technology, Kozhippara, Palakkad with Technical Support from STEPS Knowledge Services Pvt Ltd, Coimbatore. Through this Memorandum of Agreement, the two parties agree to the following.

(a) A steering committee will be set up to monitor the activities such as Training program for students, Faculty Development Program, Workshops and Events. The committee will consist of Mr. V.S. Ramesh, Director, STEPS and Dr.B.G.Vishnuram, Principal of ASET . With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the above mentioned activities, the continuation of the MoU, and termination of the MoU are concerned. The MoU will be reviewed every 3 years from the date of signing of MoU.

(b) Innovation Lab Setup: ASET will set up a lab which will be entitled "Texas Instruments Innovation Lab at its premises. STEPS will supply the Development kits suitable for Analog, Embedded and Connectivity applications, for the college on mutually agreed basis. ASET will be responsible for purchasing any other equipment required for setting up the Centre and for the maintenance of the Centre. STEPS agree to provide the necessary initial training and learning materials to begin the instruction on a mutually agreed basis.

(c) Curriculum: ASET will explore ways to introduce a lab-based course using Texas Instruments Platform in their undergraduate/post graduate curriculum which will be focused on the project based learning. STEPS will support ASET in technical aspects with the teaching materials, Hands-on training to the faculty on a mutually agreed basis.

(d) Faculty Development Program: If ASET prefers, it can organize Faculty Development Program in its premises for its faculty members and faculty members of other Institutions to get trained TI Platform. ASET will provide the infrastructure facility for conducting the Faculty Development Program. STEPS will extend its support to provide the trainers on mutually agreed basis if there are no relevant resources available in the college.

(e) Workshops/Events: If ASET wishes to organize a national event in the area of Analog and Embedded Systems Platform., STEPS will provide speakers/trainers/conduct workshops – 1 day / 2 day / Multi-Day where the revenue sharing could be discussed among both the parties.

(f) Training Programs: STEPS will support ASET in organizing training programs/tutorials on topics related to TI Analog and Embedded Systems

Platform. Faculty members from ASET who have undergone train-the-trainer program and who are certified by STEPS as Trainers may jointly with STEPS run paid STEPS certified training programs. The role of the trainer from the ASET (Faculty member) is same as the role of STEPS Trainer to conduct the training program. STEPS will provide certificates for the participants of such programs. The revenue sharing for such programs could be discussed among both the parties.

(g) Publicity through Media: ASET does not publicize the event or other external communications about the MOU in electronic or print media without explicit permission from STEPS /Texas Instruments. In case, the college/university wants to do so, a prior approval from Texas Instruments and STEPS is required.

Terms and Conditions for the Conduct of Online Examinations of Kerala Public Service Commission at Ahalia School of Engineering & Technology, Kozhippara, Palakkad.

1. Online Examinations of Kerala Public Service Commission, hereafter referred to as KPSC, shall be conducted at **Ahalia School of Engineering & Technology, Kozhippara, Palakkad** hereafter referred to as the Centre, as per the terms and conditions incorporated herein, signed by the **Principal of Ahalia School of Engineering & Technology, Kozhippara, Palakkad** and the Secretary, Kerala Public Service Commission.

2. The Centre shall form a team for the smooth conduct of the KPSC Online Examinations, headed by a Centre Coordinator, who will act as the point of contact for KPSC. Normally, the faculty in charge of the computer facility at the Centre will act as the Centre Coordinator. The coordination of activities for the scheduling and conduct of the examination, coordination of various personnel at the Centre in getting the test facility ready as per the KPSC requirement and ensuring the site readiness prior to the examination, will be the responsibility of the Centre Coordinator.

3. The faculty and staff responsible for the maintenance and operation of the infrastructure to be used for KPSC Online Examinations should be the members of the Centre Team. The Centre shall inform the details of this team to the KPSC, soon after signing this agreement.

4. The Centre will allot and make available the test rooms / labs and associated infrastructure with the prescribed Operating System, user accounts, browser and network settings (as detailed in Annexure – A of this document) for exclusive use of KPSC on the scheduled examination date as well as during the previous day.

5. The Centre will give the allotted infrastructure in KPSC's possession for readiness checks / trial runs, at 4.00 p.m. on the previous day of the examination.

6. There will be a periodical audit of the Test venue infrastructure provided (PCs, Network Switches, Rack, Firewall, Modems, Internet bandwidth & speed, LAN, Operating System, UPS & DG Set) by authorized technical engineers from KPSC on mutually agreed dates.

7. All the technical requirements and configurations of the infrastructure as detailed in the agreement shall remain unaltered at the test venue and maintained under a separate user profile settings for the purpose of KPSC Online Examinations.

8. The Centre shall extend the general amenities like drinking water, toilet facility, canteen facilities for the candidates on the day of the examination.

9. The centre shall arrange for display boards and notice boards at the gate and other points for properly directing the candidates to the KPSC Online Examination venue.

Scanned by CamScanner

10. The Centre shall intimate any changes in infrastructure such as re-arrangement of labs, non-availability of any particular period, changes in IT infrastructure such as OS changes, internet connection changes etc. atleast 60 days in advance.

11. KPSC will send the Requisition Letter (RL) for each examination, atleast 40 days before the scheduled date of the examination. The required infrastructure and manpower for the examination will be mentioned in this requisition letter. The examinations will be of one session per day with two shifts, each shift of 75 to 90 minutes duration.

12. The Centre Coordinator will send the Acceptance Letter (AL) signed by the Principal, within 48 hours of the receipt of RL to confirm the acceptance. Any difficulties should be intimated within this timeframe, failing which it will be deemed to be accepted.

13. The Centre will intimate any other examination or event happening at the venue at the time of sending the acceptance letter (or subsequently as the case may be) and will ensure that there will not be any disturbance / changes due to those events to already allotted labs, verification rooms, invigilating staff, entrance gates & other facilities .

14. Once examination dates are accepted, the Centre cannot cancel the booking under any circumstances.

15. A site readiness certificate will be issued by the Centre 5 days prior to the scheduled date of each examination, indicating that all the examination PC's have been assigned the static IP address as per the approved list correctly matched with the physical seat number and all the test facilities are ready with respect to the mutually agreed technical configurations and logistic support.

16. The Principal (or a senior faculty member delegated by the Principal) will function as the Centre Head for each examination.

17. A senior officer of the KPSC will be the Chief Superintendent for each examination. The KPSC team will also consist of the necessary staff for candidate verification, Technical Support Staff and observers.

18. The Centre shall provide permanent staff of the Centre, with necessary qualification and experience, capable of handling any network infrastructure issues, and power related issues for the smooth conduct of the exam. These staff should be directly responsible for the proper working of the infrastructure. The staff pattern for each examination will be as follows;

Network Mangers (System Analyst/Programmer/Faculty) 1: 100 (maximum 3)

Technical Support (Tradesman or above) - 1 :100 (maximum 3)

Scanned by CamScanner

Electrician – 1 ; Attendant/Clerk – 2

Invigilators – 1: 40 (minimum 1 per Lab).

19. The Chief Superintendent and the KPSC Technical Team will report at the Centre by 2.00 p.m. on the previous day and will have meeting with the Centre Head and the Centre Coordinator for scheduling the various activities.

20. The Centre Head should ensure that the Centre Team assigned for examination are available at the Centre and that they shall provide all necessary support to the Chief Superintendent in verifying the site readiness and performing checks and trial runs.

21. The KPSC Team will meet the Centre Coordinator and the Centre Team assigned for the examination and plan the activities for verifying and preparing the site for the examination.

22. The Centre Team shall ensure that Internet access is disabled on all examination PCs and antivirus software installed and updated on all examination PCs. The Centre shall ensure that unauthorized program such as remote login tools/software are not available and NOT installed on any examination PCs.

23. The Centre shall ensure that the physical seat number of each examination PC is prominently and conspicuously displayed near each examination PC.

24. The Centre shall ensure that no PCs other than the Examination PCs are physically connected to the LAN provided for the KPSC Online Examination and that no wireless, bluetooth devices or remote access hardware are connected to any of the examination PCs. The Centre Team will be accountable for conduct of the examination at the Centre in secure and fair manner.

25. The Centre shall ensure that required UPS back up with DG Set Power is available for the smooth conduct of the examinations in the event of a power failure. The power arrangement should be such as to have changeover to backup power, with no interruptions, in the event of a power failure.

26. The Centre shall provide two halls/rooms adjacent to the online examination venue, for the verification of the candidates. Two PCs with intranet connectivity to the Server Laptop and plug points to connect the mini printers should be made available in these halls/rooms.

27. The Centre shall ensure that the entire test venue infrastructure provided for the examinations are in proper working condition and that all configurations and logistic support are as per the KPSC specifications, before handing over the facilities by 4.00 p.m.

28. The Chief Superintendent and the KPSC Technical Team shall verify that all technical specifications are as

Scanned by CamScanner

specified in the Annexure – A of this agreement and that all the examination PCs have been correctly assig the IP address as per the approved list and matches with the physical seat number. They will also verify th other logistics and infrastructure requirements for the conduct of the examination are as defined by this agreement.

29. The Chief Superintendent shall bring any shortcomings in the site readiness to the attention of the Centre Head. The Centre Head shall take necessary steps to rectify the shortcomings.

30. After checking the site readiness, the Chief Superintendent and the KPSC Technical Team will start executing the sequence of actions for configuring the Laptop Server and ensuring the connectivity with the Central Server, as per the guidelines issued by KPSC. The Centre Team shall assist the KPSC Team during this activity.

31. The Chief Superintendent will conduct a mock test as per the guidelines issued by KPSC. The mock test will be conducted by logging in from 10% of the total number of exam PC's chosen at random.

32. Once the mock test is satisfactorily completed, the Chief Superintendent and the Centre Head will certify the site readiness.

33. Once the test facility is declared ready for the next day's examination, the Laptop Servers and the computers are properly shutdown and the Chief Superintendent shall seal the labs provided for the KPSC Online Examinations in the presence of the Centre Head to ensure that no alterations are made to the test facilities and no person enters those rooms. The keys will be kept under the safe custody of the Centre Head/ Centre Coordinator.

34. On the day of the examination, the exam rooms will be opened in the presence of the Chief Superintendent at least two hours before the start of the examination.

35. The Centre Team assigned for the examination will report on the day of examination, two hours before the start of the examination. The invigilators should report to the Chief Superintendent, 45 minutes before the start of the examination. The KPSC Team will brief the invigilators about their duties.

36. The examinations, will be of one session consisting of two shifts, each shift of 75 to 90 minutes examination duration or one session with two hour examination duartion. Any additional session on the same day, it will be treated as a separate examination. KPSC shall pay the charges for Infrastructure and Remuneration for Staff as detailed below for each examination.

Scanned by CamScanner

	Remuneration Charges (Rs)		
	For session consisting two shifts of 90 minutes each or one shift of 120 minutes		For additional session consisting of single shift
	Previous Day	Exam Day	
Centre Head	350	750	300
Centre Coordinator	1050		300
Network Manager	350	700	300
Technical Support	300	550	200
Electrician	200	400	200
Invigilator	-	550	300
Attendent / Clerk	-	400	200
Computer Charges	Rs.70 per node per day		
Fuel Charge for the DG set	At actuals		

37. The Chief Superintendent and the Centre Head will certify the total number of nodes allotted for each examination and the quantity of the fuel used if the DG set was used. The Centre shall raise the invoice towards the infrastructure charges and the fuel charges. The charges for the infrastructure will be calculated on per node basis for the nodes allotted for the examination as per the requisition and acceptance letter. The fuel charges will be at actuals.

38. The payment against the invoice will be made by the KPSC to the Centre in favour of ..... (Account details to be given here).

39. The technical specifications and requirements for the conduct of the examination will be periodically evaluated and any improvements and changes in those specifications/requirements can be effected by modifying the Annexure – A of this agreement after mutual consultation and consent.

Annexure -A

The technical and logistic requirements to be complied at the Centre for conducting online examinations of KPSC

The examination centre should ensure that all client machines are configured as per the requirement of KPSC for conducting the online examinations as detailed below;

- All Exam PCs must have Dual Core processor or higher with at least 2GB RAM.
- All Exam PCs must have at least one Linux partition exclusively for KPSC.
- The operating system must be Ubundu 14 or higher with minimum 5GB free hard disk space in the root partition.
- Separate user should be created for KPSC online examination.
- All Exam PCs must have Firefox version 28 or higher
- The home page of the browser in all Exam PCs must be set to http://<SERVER_IP>/psc/candidate_login.php
- Ensure that no client machines are assigned with IP in the range 192.168.1.X
- Two IPs per examination centre, with internet access, must be reserved for Servers
- All traffic (both to and fro) for the above two Server IPs must be allowed in the firewall
- The above two Server IPs must be accessible from each client machines
- One room for each 100 seats allotted must be provided for registration and verification of the candidates adjacent to the online exam venue
- Three IPs per examination centre must be reserved for verification and access card printing
- One PC for each 100 seats allotted, connected to the exam centre network, must be provided for verification and access card printing.
- Internet access must be disabled in all Exam PCs
- Remote access service like ssh, rdp, xrdp, vnc etc must be disabled in all Exam PCs.
- All ports except port 80 must be closed in all Exam PCs so as to avoid unwanted inward communication.

Scanned by CamScanner

- Ensure that no wifi/ bluetooth/ Infrared/ any other communication devices connected/ enabled in any of the Exam PCs/Network switches
- The Exam PCs or the Servers used for examination should not be accessible in any way from other computers/devices in the campus.
- Must have a handy IP list of all machines and layout of each lab including computer name/number.
- All the PCs have must be assigned IP Address as per the approved list.
- All Exam PCs and network switches must be powered with UPS.
- At least 2Hrs power backup must be available in the UPS.
- The Diesel Generator Set must be in working condition and sufficiently fuelled for the smooth conduct of the examination.
- High speeed internet connevity is to be enusred to perform the pre-exam and post-exam operations .

1. **Background and Purpose.** This Program Appendix ("**Appendix**") establishes the terms and conditions under which Partner will participate in the Red Hat Academy Program ("**RHA**" or "**Program**") in the Territory. Under the Program, Red Hat provides Partner an Internet deployed and managed Curriculum, Software, and Services and Partner provides the facilities and Teachers and delivers the Courses to Students as set forth in this Appendix. Capitalized terms not defined in this Appendix shall have the meaning given to them in the Partner Agreement between the parties, including the Partner Terms and Conditions.

2. **Definitions.**

"**Partner**" means a qualified university, academic institution, or entity with a workforce development program that acquires the Red Hat Academy Subscription for its own use to be provided to Partner's Students and without the right to directly or indirectly sell, resell, remarket, or, in whole or in part, otherwise distribute Red Hat Academy. Eligibility of a Partner is determined at Red Hat's sole and exclusive discretion.

"**Appendix Effective Date**" means the first date when both parties have fully accepted or signed the Partner Agreement including this Appendix.

"**Curriculum**" means the Courses, Course Materials, Manuals, and any and all instructional content, assessment, tests, and instructional materials included therein whether in print or electronic format, provided by Red Hat as part of the Red Hat Academy Program.

"**Course**" or "**Courses**" means the specific courses or units of study that may be taught under the RHA and as set forth in Exhibit A, Exhibit C and as otherwise offered by Red Hat under the Red Hat Academy Program.

"**Course Materials**" means any and all instructional and educational content provided directly or indirectly by Red Hat, including without limitation designs, course names and numbers, course materials, Manuals, methodologies, software, scripts, processes, instructional materials, slides, notes, lab exercises, assessment tools, quizzes, tests, answer keys, scripts, files, instructor guides and/or any other materials in any format, provided in connection with the Curriculum whether distributed in print, electronic, or video format, including, without limitation, Student Kits, Exams, Exam Kits, and Exam Authorizations.

"**Documentation**" means user manuals, training materials, software descriptions and specifications, brochures, technical manuals, license agreements, supporting materials and other printed information provided in connection with the Learning Services, in any format.

"**Exam**" means a Red Hat performance based certification exam.

"**Manuals**" means those manuals used by Red Hat instructors in instructing Technical Training courses. Manuals are different from the Course Materials and shall not be used in or brought into the Courses.

"**Program Subscription Fee**" means the annual subscription fee paid by Partner that provides Curriculum, Software and Services to the Partner and enables Partner to teach the Curriculum to Students as set forth herein or in separate mutually agreed order.

"**Services**" means Learning Services provided as part of the Program.

"**Student(s)**" is a person enrolled full or part-time in the Partner's school, institution of learning and admitted to a degree awarding program (e.g. diploma, or degree, program, or certificate program) and attends a Course as taught by a Teacher.

"**Student Fee**" shall mean the per Student per Course fee set forth in Exhibit A of this Appendix, if applicable.

"**Software**" means Red Hat Enterprise Linux, JBoss Enterprise Middleware and other software programs branded by Red Hat, its Affiliates and/or third parties including all modifications, additions or further enhancements delivered by Red Hat.

"**Teacher**" is a Partner employee or contractor who meets all qualifications determined by Red Hat who teaches and instructs Courses for the Partner.

"**Technical Training**" means the courses and certification exams offered publicly and commercially by Red Hat on an open enrollment or on-site basis, including the Manuals used by Red Hat instructors in instructing technical training courses and the Student Manuals included in the Course

3. License and Ownership

3.1 **License Grant.** Upon Partner paying the applicable Fee(s), Red Hat grants Partner a non-exclusive, revocable, fully paid license, with no right to sublicense (including, but not limited to, sell), to use the Curriculum and Course Materials pursuant to the Agreement as follows: (a) distribution of Course Materials is limited to one (1) copy per Instructor and one (1) copy per Student; (b) Curriculum are provided solely for the use by Instructors and Students in the Course and such Curriculum may not be copied or transferred without the prior written consent of Red Hat; and (c) Curriculum must be taught sequentially and completed by Partner in no less than eight (8) weeks. The Curriculum shall not be used to teach or instruct to any person who is not officially enrolled as a Student and admitted to a degree, diploma, or certificate awarding program of Partner.

Notwithstanding the foregoing, all Curriculum is the sole property of Red Hat and its licensors, and are copyrighted by Red Hat unless otherwise indicated therein. Red Hat and its licensors will have sole ownership of any and all Curriculum including but not limited to methodologies, software, processes, or other intellectual property developed during the performance of the Services. Red Hat will provide Software for the use by the Partner and Students in the Course. Use of the Software is subject to the End User License Agreement set forth http://www.redhat.com/licenses/rhel_rha_eula.html. The Services may only be used by Partner. Partner is solely responsible for providing prerequisite skills, assessing its Students' suitability for use of the Curriculum, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student and Teacher information. Partner hereby agrees that Software used outside of the Program is covered under terms and conditions of the Enterprise Agreement including Appendix 1, Subscription Services, set forth at www.redhat.com/licenses, which may be amended from time to time by Red Hat in its sole discretion.

3.2. **Retained Rights.** No part of the Curriculum may be photocopied or duplicated by any means, whether photographic, or electronic, or mechanical, or sold or distributed in any other delivery format whether in print or electronic, or used as the basis for any other training product or service, without written permission from Red Hat. Partner's rights in the Curriculum are limited to those license rights expressly granted under this Appendix, and Red Hat retains all rights not expressly granted. Partner will not (a) modify the Curriculum in any manner; or (b) use the Curriculum for any purpose not specifically permitted by this Appendix. Red Hat and its licensors will own and retain all right, title, and interest in the Curriculum and all intellectual property rights inherent therein, including without limitation all changes and improvements requested or suggested by Partner, notwithstanding any use of terms such as "purchase", "sale", or the like within the Agreement. Partner represents and warrants that its use of the Curriculum will be to fulfill obligations under this Appendix. Any unauthorized use of the Curriculum will be deemed a material breach of the Agreement. Prior to providing Students with access to Curriculum, Partner will require each Student to sign or otherwise assent (in a binding manner) to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at http://www.redhat.com/licenses/, which may be amended from time to time by Red Hat in its sole discretion. Partner's internal use of Courses or Exams is subject to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at http://www.redhat.com/licenses/, which may be amended from time to time by Red Hat in its sole discretion.

3.3 **Permitted Marks.** Partner may only use the logo(s) set forth in Exhibit B to the Program, based upon the Partner level in Exhibit A, in conjunction with the promotion of Partner providing Red Hat Academy Courses to Students. Partner may use Red Hat Distinguished Academy Logo set forth in Exhibit B if all Partner's Teachers are certified Red Hat Professionals for the Red Hat Software Courses they teach. All other Partners may use the Red Hat Academy Logo set forth in Exhibit B. Partner may not use this logo in general advertisements or marketing materials that do not specifically address or support the sale of Courses under the Program.

3.4 **Copyright Notices.** Partner will ensure that all copies of the Curriculum in Partner's possession or control incorporate copyright and other proprietary notices in the same manner that Red Hat incorporates such notices in the Curriculum or in any manner reasonably requested by Red Hat. Partner will promptly notify Red Hat in writing upon its discovery of any unauthorized use of the Curriculum or infringement of the Curriculum or Red Hat's proprietary rights in the Curriculum.

3.5 **Use of Red Hat Software.** Any use of Red Hat Software is subject to Red Hat's standard agreements including the Enterprise Agreement set forth at www.redhat.com/licenses, the applicable Red Hat End User Agreement(s) set forth at www.redhat.com/licenses/eulas and/or any other mutually signed written agreement with Red Hat as applicable.

4. Fees and Payment

4.1 **General.** Any fees or charges ("**Fees**") will be due and payable by Partner in accordance with the Agreement. Partner may purchase from Red Hat directly, or through an Authorized Red Hat Reseller Partner. If Partner acquires Subscriptions, Courses and/or Services through a Red Hat Academy Program Reseller, the Fees for such Subscriptions, Courses and/or Services will be determined by such Reseller and may vary from the Red Hat Fees.

4.2 **Direct.** If Partner purchases directly from Red Hat, Fees will be identified by Red Hat in an Order Form and are (a) due upon Red Hat's acceptance of an Order Form, and (b) payable in accordance with this section. All Fees are stated in United States

Dollars. Partner must pay all Fees within thirty (30) days from the date of invoice, without regard for when, and whether, Partner collects payment from a Student. Fees do not include out-of-pocket expenses or shipping costs. Partner agrees to reimburse Red Hat for its reasonable expenses incurred in performing the Services including travel, lodging and non-routine supplies, in accordance with Red Hat's travel and expense policies. All Fees are non-refundable. Red Hat will invoice Partner upon Red Hat's receipt of a purchase order for any amounts due to Red Hat pursuant to this Agreement; provided, however, that the terms of such purchase order will not amend, supplement or modify the terms of this Agreement or be binding on Red Hat. Red Hat reserves the right to change the credit terms or terminate the Agreement if Red Hat has not received payment within five (5) days of when it is due. Renewal Fees will be the same price listed in the Order Form.

5. **Publicity.** Red Hat and Partner shall each have the right to identify Partner as a Red Hat Academy partner, provided, however, that for any press release, media alert, or other public communication, each party shall obtain the other party's review and written consent before publishing such information in any form.

6. **Term, Termination and Mandatory Disclosure**

6.1 **Term.** Unless otherwise specified in writing by the parties, the initial term of this Appendix shall be one (1) year (the "**Initial Term**"). Thereafter, the term for this Appendix shall renew for successive terms of one (1) year each (each, a "**Renewal Term**"), with each Renewal Term beginning on the anniversary of the Initial Term unless either party gives written notice to the other of its intention not to renew at least sixty (60) days prior to the commencement of the next term. As used herein, the Initial Term and each Renewal Term individually refer to a "**Term**" and collectively the "**Appendix Term**."

6.2 **Termination.**

6.2.1 **Termination for Breach.** Notwithstanding anything to the contrary Red Hat may terminate this Appendix as provided for under Section 13.2 of the **Partner Terms and Conditions Appendix**, or in the event (a) Partner fails to pay an invoice when due, (b) Partner commits a breach of this Agreement and fails to remedy that breach within 30 days of receipt of notice of breach, or (c) as otherwise provided in the Agreement. Partner may terminate the Appendix in the event Red Hat commits a material breach of the Appendix and fails to remedy such breach within 30 days of receipt of notice of material breach.

6.2.2 **Termination for Convenience.** Either Party may terminate this Appendix, without prejudice to any other right or remedy, for any reason upon sixty (60) days notice in writing to the other Party.

6.3 **Survival.** Upon expiration or termination, all rights and obligations of the Parties under this Appendix will terminate immediately except, Section 3.2, 3.4, 4.2, Section 3 of Exhibit A, and Exhibit C will survive such termination or expiration. Termination of this Agreement shall not affect any agreements between Red Hat and any Students.

6.4 **Mandatory Disclosure.** For the avoidance of doubt, Partner may disclose the existence of this agreement and relevant terms, if it is required to do so by applicable law or regulation. Before disclosing the information, to the extent reasonably practical, Partner shall first notify Red Hat of the disclosure requirement (if it can provide notice without breaching any legal or regulatory requirement).

EXHIBIT A
RED HAT ACADEMY SUBSCRIPTION

1. **Red Hat Academy Subscription.** Red Hat Academy Subscriptions contain the following:

(a) Authorization and access to, and use of, the Curriculum in accordance with the terms set forth herein. The Program Fee includes Curriculum and Fees for the initial two hundred (200) Students. Additional Student Curriculum access may be purchased on a per Student basis;

(b) Exams and exam delivery are not included in the Red Hat Academy Subscription and may be purchased separately; and

(c) A list of standard Course offerings in the Red Hat Academy is available from Red Hat or a Red Hat Academy Reseller.

2. **Partner Requirements.**

(a) Partner is solely responsible for providing pre-requisite skills, assessing Student's suitability for use of the Course(s) and Curriculum, appropriate use of any internet access, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student information.

(b) Partner must notify Red Hat of the number of Students in each Course within one business day after the Course begins.

(c) Partner will provide Students with access to Student software labs. Access to such labs may be purchased through a Red Hat Lab Partner, through a third party cloud hosting provider authorized to provide such software lab access, or may be provided by the Partner through its own resources.

(d) Partner shall maintain at least one (1) Red Hat Certified Professional during the Appendix Term. Partner will notify Red Hat upon appointment or replacement of Red Hat Certified Professionals.

3. **Red Hat Academy Subscription Fees.** Partner shall pay the Program Fee, if applicable, annually, before the beginning of the Initial Term and each Renewal Term. Courses and additional services can be ordered by Partner from a Red Hat Academy Reseller. All Red Hat Services purchased during the Appendix Term must be used within each one (1) year Term in which it was purchased or such Red Hat Services shall be forfeited.

EXHIBIT C
RED HAT ACADEMY, COURSES, AND ADDITIONAL SERVICES

1. Red Hat Services

SKU	Title	Description	Price	Term
RHA100	Red Hat Academy Standard Program	Access for 200 students to approved Red Hat Academy courses (e.g. RH124 + RH134, RH254, CL110, JB125, JB225)	$0	1 year
RHA101	Red Hat Academy Standard Program: Add-on Student	Access for 1 student to approved Red Hat Academy courses (e.g. RH124 + RH134, RH254, CL110, JB125, JB225)	$0	1 year

Note 1: All Red Hat Academy Program services purchased during the Appendix Term must be used within each one (1) year Term in which it was purchased or such services shall be forfeited.

FACILITIES AGREEMENT

THIS FACILITIES AGREEMENT ("**this Agreement**") is made effective as of the Effective Date (specified in Schedule 1) by and between **Tata Consultancy Services Limited**, a company incorporated under the Companies Act 1956, with its corporate office located at TCS House, Raveline Street, 21 D. S. Marg, Fort, Mumbai 400001, hereinafter referred as **'TCS'** (which expression shall include its successors and assigns) and the Party specified in the Schedule 1 to this Agreement hereinafter referred as a **'LISP'** (which expressions shall, unless the context requires otherwise, includes its successors and permitted assigns)for end to end infrastructural support for work as defined in the Scope of Services below. In this Agreement, TCS and LISP are collectively referred as "Parties" and individually as a "Party".

WHEREAS:
a) TCS has certain shared software applications ("**TCS Application System**") which will be accessed/used by its customers ("**Services**");
b) TCS needs certain infrastructure and facilities for delivering the Services to its Customer(s) effectively and LISP agreed to provide such infrastructure and Facilities ("**Facilities**");

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. Definitions:-

"Authorized Personnel" means only those individuals (working for and on behalf of TCS), who have a bona fide need to have access to Facilities in connection with the use of Services by Customer under this Agreement.

"Confidential Information" shall mean and include all business strategies, plans and procedures, proprietary information, software program, documentation, tools, processes, methodologies, data and trade secrets, information relating to customers, employees, or business partners, and any other confidential or proprietary information and materials of the Disclosing Party, its affiliates, clients or suppliers that may be received or obtained by the Receiving Party as a result of this Agreement.

"Customer" shall mean the customer or customers of TCS to whom TCS is required to render Services from or using the Facilities.

"Facilities" shall mean the facilities as set out in Clause 1 on Schedule 2

"**LISP**" shall mean Local Infrastructure Service Provider

"Location" shall mean the locations or places of the LISP as specified in Schedule 1 where the Facilities shall be made available to TCS.

"**LISP Hardware**" shall mean the hardware listed in Clause 2 in Schedule 2 and made available by the LISP to TCS for use during the Usage Period communicated by TCS.

"Term" shall mean the term as set out in the Schedule 1.

"Usage Period" - For LISP Hardware, it is the period when TCS shall utilize the Facilities for its business requirement which shall be notified under the relevant Work Order by TCS to the LISP. In case of a change in the Usage Period, such revised Usage Period shall be notified by TCS from time to time through a written notice to the LISP.

Scope of Service:-TCS requires an end to end infrastructural support to use the Facilities as set out in Clause 1 of Schedule 2 during the Usage Period for the Term of this Agreement. This Agreement is to ensure outsourcing of the work for conduct of the exam however the consideration for the same is being determined on usage basis of the facilities used as per Clause 3 in Schedule 2. From time to time TCS shall notify the LISP of its requirement to use the Facilities prior to the commencement of the Usage Period. This will be done by TCS by issuing specific Work Orders. Facilities shall be made available for exclusive use of TCS during the Usage Period as communicated by TCS. TCS has the right to postpone the Usage Period which shall be notified to the LISP as stated in this Agreement. LISP understands and agrees that time is of the essence of this Agreement and in the event of non-availability of the Facilities during Usage Period; TCS and its Customers would incur irreparable loss and damage both financial and reputational. LISP acknowledges that LISP shall make good such loss suffered by TCS and its Customers.

2. Term and Renewal:-This Agreement is effective during the Term as set out in Schedule 1 unless terminated earlier in accordance with the provisions of this Agreement.

3. Obligations of the LISP: - LISP shall make available the Facilities in working condition to TCS for the Usage Period throughout the Term. LISP shall allow free access to the Locations and the Facilities to TCS and its Customers and shall assist and co-operate with TCS to enable TCS to render Services to its Customers. LISP shall also ensure that Location is free of disturbance while TCS is using the same. In the event, the LISP has agreed to provide personnel as part of Facilities; the LISP shall ensure that such personnel have necessary expertise as required by TCS. LISP shall ensure that the power supply and its back up in form of diesel generator is available and is in working condition along with availability of fuel, back up electrical cables, electrician, as stated in Schedule 2 of this Agreement. LISP shall ensure that all nodes are networked and network connectivity is available at all times as mentioned in Schedule 3. LISP shall, at all times, comply with all applicable Facilities and/or Location related statutory laws, rules, regulations or policies including confidentiality and other obligations under this Agreement. LISP shall also procure and maintain all required approvals, permission, and consent throughout the term of this Agreement. LISP shall also obtain written consent from TCS before undertaking any maintenance activity with respect to Facilities which may jeopardize the timelines as stated in the Work Order issued by TCS to the LISP. LISP shall also on regular intervals and/or when required by TCS or by applicable statutory authorities provide proof for compliance with all applicable laws, regulations or policies and any such approvals, permission, consents .LISP shall maintain the Facilities for exclusive use by TCS during the Usage Period.

4. Fees: - TCS shall pay Fees to LISP as per Clause 3 in Schedule 2.after deduction of applicable tax at source (TDS) and provide LISP certificate in prescribed format for such deduction. All Fees payable under this Agreement shall be exclusive of applicable indirect taxes.

5. Representation and Warranties:- Each Party represents, warrants and covenants to the other that: (i) it is duly organized and validly existing and in good standing under the laws of the country and shall comply with all applicable Laws; (ii) it has the full right and authority to enter into this Agreement and to perform all the obligations (including providing Facilities) under this Agreement and that this Agreement constitutes a legal, valid and binding obligation; and (iii) its execution, delivery and performance of this Agreement does not and will not conflict with, or constitute a breach or default under, its charter of organization, or any contract or other instrument to which it is a party. Further, LISP warrants that all the Facilities provided as per Schedule 2 are in working conditions throughout the Term and in the event they are not in working conditions, LISP shall get it repaired at its own cost. LISP warrants that it has paid all applicable fees, charges, taxes etc. with respect to Facilities provided to TCS and shall be liable to pay any such applicable fees, charges, taxes etc. during the term of this Agreement. LISP shall indemnify, defend and hold harmless TCS and the Customer from and against any and all liabilities, damages, claims, fines, penalties, and expenses of whatever nature arising or resulting from breach of the aforesaid warranties or from the violation of any laws, rules, regulations or statutory requirements.

6. Limitation of Liability: - TCS shall not be liable to the LISP for any special, indirect, incidental, consequential (including loss of

revenue and/or profit), exemplary or punitive damages, whether in contract, tort or other theories of law, even if TCS has been advised of the possibility of such damages. The total cumulative liability of TCS under this Agreement shall not exceed in aggregate the amount paid by TCS to the LISP under this Agreement.

7. Confidential Information: - Each Party receiving the Confidential Information (the "Receiving Party") acknowledges and agrees to maintain the confidentiality of Confidential Information provided by the other Party (the "Disclosing Party") hereunder. The Receiving Party shall not disclose or disseminate the Disclosing Party's Confidential Information to any person other than those employees, agents, contractors, subcontractors and licensees of the Receiving Party, or its affiliates, who have a need to know it in order to assist the Receiving Party in performing its obligations, or to permit the Receiving Party to exercise its rights under this Agreement. The provisions of this **Clause** with respect to Confidential Information shall not apply to the extent, that such Confidential Information is: (a) already known to the Receiving Party free of any restriction at the time it is obtained from the Disclosing Party, (b) subsequently learned from an independent third party free of any restriction and without breach of this provision; (c) is or becomes publicly available through no wrongful act of the Receiving Party or any third party; (d) is independently developed by the Receiving Party without reference to or use of any Confidential Information of the Disclosing Party; or (e) is required to be disclosed pursuant to an applicable law, rule, regulation, government requirement or court order, or the rules of any stock exchange. Upon the Disclosing Party's written request at any time, or following the completion or termination of this Agreement, the Receiving Party shall promptly return to the Disclosing Party, or destroy, all Confidential Information of the Disclosing Party provided under or in connection with this Agreement, including all copies, portions and summaries thereof.

8. Intellectual Property Rights:- LISP agrees that TCS Application System, deliverables and work products created or developed by TCS or its employees, representatives etc. using TCS Application System and/or Facilities under this Agreement, together with any associated copyright and other intellectual property rights, shall be the sole and exclusive property of TCS. TCS is allowed to use the name and address of the LISP which may be necessary to render the Services to its Customers.

9. Termination :- (9.1) Termination for convenience by TCS. TCS is entitled to terminate this Agreement by giving fifteen (15) days prior written notice to the LISP. It is acknowledged and agreed between the Parties that LISP does not have right to terminate this Agreement for convenience. In the event if LISP terminates this agreement for convenience, the same shall be construed as material breach of this Agreement and TCS shall have the right to claim appropriate damages under the Law and this contract.

(9.2) Termination for Material Breach. Either Party may terminate this Agreement immediately by a written notice to the other Party in the event of a material breach which is not cured within thirty days of the receipt of the said notice period. Failure of LISP to abide by the Service Levels and Denial of access by LISP to TCS on the Facilities shall be termed as material breach and the Agreement shall immediately be terminated by TCS.

(9.3) Effect of termination. Either party shall return to other party any of other party's confidential and proprietary information and material in its possession. LISP agrees that in the event of expiry or termination of this Agreement for any reason, any accepted and unexecuted Work Order shall be executed by the LISP and all the obligations under such Work Order shall be performed by the LISP.

10. Miscellaneous: - (10.1) Independent Contractors and Assignment. LISP shall not assign or transfer this Agreement or any obligations hereunder to any third party, without the prior written consent of TCS.

(10.2) Change Request: Any changes to this Agreement shall be in the form of change order ("Change Request") as attached in Schedule 4 and shall be signed by both Parties.

(10.3) Governing Law, Dispute Resolution and Jurisdiction. This Agreement shall be governed by and interpreted in accordance with the laws of India. All disputes arising between the Parties, out of this Agreement shall be referred for arbitration to a sole Arbitrator to be mutually agreed upon and proceedings shall be governed by the Arbitration and Conciliation Act 1996. The venue and seat of arbitration shall be Mumbai. Subject to arbitration, the courts in Mumbai shall have exclusive jurisdiction.

(10.4) TCS Supplier Code of Conduct: The business engagement of TCS with the LISP is regulated by the TCS Supplier Code of Conduct. All agencies dealing with TCS like the LISP herein are also bound by the said TCS Supplier Code of Conduct. The LISP agrees to at all times abide by the said Code and shall promptly inform TCS of any breach or threatened breach of the Code by any person by informing to the Local Ethics Counselor or the Principal Ethics Counselor or the CEO of TCS. TCS, in turn, undertakes that it will maintain confidentiality of such communication received. Violations and concerns can be reported confidentially via email to corporate.ethics@tcs.com. The TCS Supplier Code of Conduct can be viewed at HTTP://WWW.TCS.COM/SITECOLLECTIONDOCUMENTS/ABOUT%20TCS/TCS _ SERVICE PROVIDER_CODE_CONDUCT_07_2011.PDF.

(10.5) Entire Agreement. This Agreement sets forth the entire understanding of the Parties and supersedes all prior agreements and understandings between the Parties, with respect to the subject matter hereof)

(10.6) Notice:- Any notice in connection with this Agreement shall be in writing in English and delivered by hand, facsimile, email (as specified in the Work Order) registered post or courier of international repute to the address mentioned in the introduction clause or any other address as may be informed to each other in writing by the Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives

SCHEDULE 2

1. **Facilities:** Facilities shall be inclusive but not limited to the following listed:

   a. **General Facilities**

      i. Furnished IT lab/s with furniture,
      ii. Air-conditioned server & UPS room
      iii. First Aid
      iv. Fire Extinguishers
      v. Drinking water
      vi. Cafeteria
      vii. Rest Rooms and Toilets
      viii. Housekeeping staff (including but not limited to Sweepers, Peons, Security Guards, Electricians, Lab Technicians, etc.)

   b. **Diesel Generator Facilities**

      i. Dedicated Diesel Generator (DG) supply to the Facilities of a standard make which is supported by valid AMC and service certificate at all times

   c. **Assessment Support:**

      i. As per TCS requirement, LISP will arrange for required assessment support by designating personnel in the role of Administrator, Invigilators, Lab technicians, Security Guards, etc. as derived and determined by TCS. TCS and/or its Authorized Personnel shall validate and pay for such invigilation \supervision service as per rates specified in point 3 (c) of Schedule 2. The LISP shall share the details of such personnel providing the invigilation\supervision service with TCS and/or its Authorized Personnel as and when required.

      ii. LISP will provide furnished IT lab with furniture, air-conditioned server room & UPS room, dedicated DG supply.

2. **LISP Hardware:**
   Based on requirements of TCS, as per Work Order, including but not limited to the following as applicable:

   a. Computer Nodes (Per Node Contracted and Used Per Session)
   b. LAN Facility
   c. Surveillance Camera facility to record a session based on TCS requirement-
   d. Recording media (CD/ DVD)
   e. Webcam for registration based on TCS requirement
   f. Internet Connectivity (with at least broadband connectivity)
   g. Laser / Ink Jet Printer (Per Unit)
   h. Printer with printing paper
   i. UPS
   j. Generator back Up

3. **Fees:**
   a. TCS shall pay Fees only for LISP Hardware for nodes at Rs. 50 per node per day for the highest number of nodes used by TCS on the particular day. In case LISP centre is not available as per the requirement of TCS, TCS reserves the right to proportionately reduce the node rate basis the number of hours for which LISP has made the nodes available.

   b. During Usage Period for personnel engaged and if the cost of the same is not included as per above defined rates then LISP shall be entitled to charge TCS for actual number of personnel engaged at the following agreed rates:

Sr. No.	Personnel Description	Single Shift Price	Two Shift Price	Three Shifts Price	Four+ Shifts Price
1	Test centre Administrator	Rs.750 per shift	Rs.1125 per day	Rs.1500 per day	Rs.1650 per day
2	IT Managers	Rs.750 per shift	Rs.1125 per day	Rs.1500 per day	Rs.1650 per day
3	IT Assistants	Rs.400 per shift	Rs.600 per day	Rs.800 per day	Rs. 900 per day
4	Invigilators	Rs.500 per shift	Rs.750 per day	Rs.1000 per day	Rs. 1100 per day
5	Support	Rs.300 per shift	Rs.450 per day	Rs.600 per day	Rs. 650 per day

TCS/ its Service Provider shall pay the aforesaid charges basis actual invoice received from the LISP.

PRINCIPAL
AHALIA SCHOOL OF ENGINEERING & TECHNOLOGY
PALAKKAD-678 557

Ahalia School of Engg & Technology
Office
Palakkad-678 557

c. Other Reimbursements : Basis of actual utilization LISP is entitled to charge TCS for reimbursements of expenses on actual spend as defined below: :

#	Description	Price
1	Surveillance Camera facility to record a session	Rs.10 per node per day
2	Print Per Sheet	Rs.1 per sheet

- TCS shall pay food expenses to LISP maximum upto Rs. 4 per candidate as per exam specific guidelines for providing food to TCS &/or LISP staff and Observers from examination conducting body on the day of the examination.

- TCS shall pay maximum upto Rs. 2 per candidate as per exam specific guidelines to the LISP towards miscellaneous expenses incurred during the day of the examination.

d. **Diesel Generator Cost:** LISP will charge TCS for reimbursement of diesel expenses for the DG usage at rates specified below:

Sr. No.	Description	Rate
1	Diesel Cost	Rs. 4.5 per candidate

Number of Shift	Single Shift	Double Shift	3 or More Shift
Minimum Amount	Rs. 800	Rs. 1,500	Rs. 2,200

LISP shall be eligible for payout basis actual utilization (Diesel Cost per candidate * Number of registered candidates scheduled) or Minimum Amount whichever is higher.

On the day of the examination in case diesel generator fails and TCS is required to arrange for alternate diesel generator, LISP shall pay the actual expense incurred as follows:

- In case LISP has a valid invoice for which payment is due from TCS, LISP can raise a credit note against the valid invoice

- In case LISP does not have a valid invoice, LISP shall raise a credit note along with cheque for the actual expense.

4. Miscellaneous:

a. TCS will raise a Work order whenever TCS wants to use LISP hardware and LISP shall raise an undisputed invoice after the Usage Period within 60 days from the date of examination. LISP shall attach a copy of the Work Order and supporting documents along with the invoice. TCS shall verify the invoice and pay a validated invoice within thirty (30) days from the date of receipt of original hard copy of the invoice on best effort basis.

b. In case TCS does not receive undisputed invoice within 60 days from the date of examination, TCS shall not be liable to make payment to the LISP.

SCHEDULE – 3
SERVICE LEVEL CREDITS

- LISP shall provide confirmation of center within 24 hours of receiving Work Order from TCS personnel
- LISP shall ensure that the details of personnel providing invigilation/supervision service are shared with TCS personnel 10 days prior to the period specified in Work Order
- LISP shall ensure that the invoices are dispatched immediately after completion of the project as stated in Work Order.
