VISION

Grow as a center of learning and research, transforming students to professionals with knowledge, skill, competence, commitment, confidence through decisive learning and contribute to the sustainable development of the society.

MISSION

1. To instil technical expertise in order to address current and emerging challenges in the quest for creating sustainable and high-quality livelihoods.

2. To foster a culture of research, innovation, and entrepreneurship through determined learning.

3. To promote an environment that supports the welfare of society through ethical and professional conduct.

PRINCIPAL MESSAGE

Dr. P.R. Suresh
Principal

Importance of Participating in the Census 2026

Census is a vital civic duty that directly impacts national development, equitable welfare distribution, and democratic representation. As the country transitions into its next major demographic exercise with the digital rollout of Census 2027, every individual count ensures that no citizen is left behind in policy planning.

Legal Status

Under the Census Act, 1948, participating and providing accurate information in the Census is **legally mandatory** for every citizen. The law guarantees absolute confidentiality, meaning personal data cannot be used for taxation, law enforcement, or administrative penalties against you

Key Reasons to Participate

Accurate Allocation of Welfare Benefits

- **Targeting Resources:** Avoids the misallocation of state resources.
- **Identifying Gaps:** Highlights developmental deficits in marginalized areas.
- **Ensuring Security:** Pinpoints communities lacking proper food, water, and healthcare.
- **Preventing Exclusion:** Protects vulnerable families from getting dropped from essential welfare schemes

Fair Democratic Representation

- **Redrawing Boundaries:** Forms the baseline for delimitation, which redraws parliamentary and assembly constituencies fairly.
- **Local Democracy:** Shapes representation tiers right down to your city ward or village.
- **Empowering Communities:** Collects critical data—such as caste details and socio-economic markers—needed for transparent, affirmative public action

Strategic Infrastructure & Economic Planning

- **Local Development:** Guides grassroots administrative bodies in designing local development tasks.
- **Public Services:** Dictates future requirements for building regional schools, hospitals, roads, and energy grids.
- **Fiscal Federalism:** Used by institutions like the Finance Commission to distribute funds fairly between the Union and individual States.

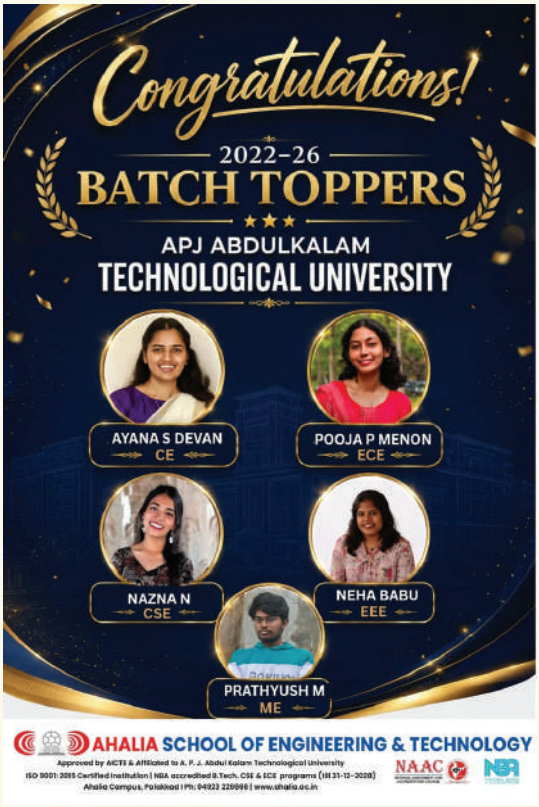

Business and Employment Opportunities

- **Market Insights:** Provides essential primary market data to researchers, scholars, and businesses.
- **Economic Penetration:** Helps local industries identify under-served geographical areas to establish new businesses, creating local jobs

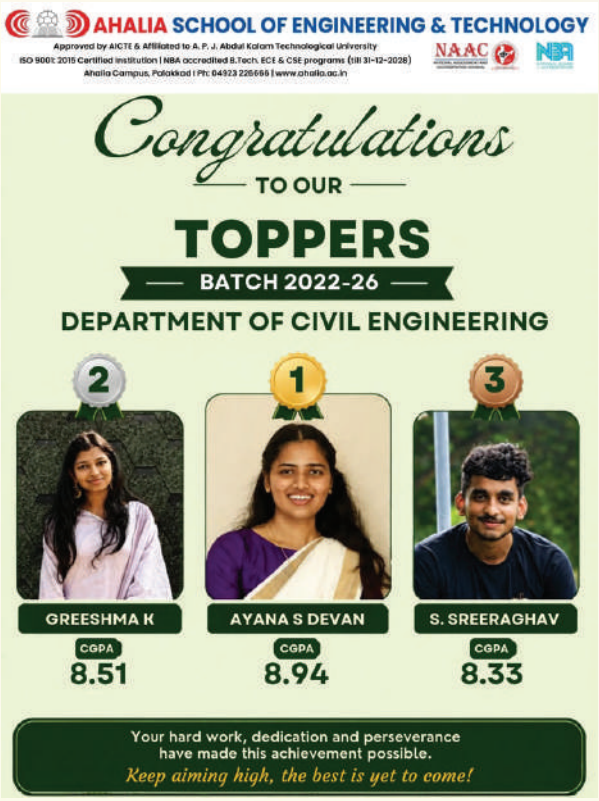

The current Census format makes participation easier than ever. This includes Online Self-Enumeration where you can now fill out your family data securely via web portals, giving you direct control over your records.: Digital app-based systems replace manual paper registers during physical household visits, lowering recording errors. Thus, as a part of leading our country to progress, it is important to ensure active participation in the ongoing census

ASET ACTIVITIES

World Environment Day 2026

World Environment Day 2026 was celebrated on 5 June 2026 at Gandhi Ashram, Ramassery, jointly organized by Ahalia Group of Institutions and Gandhi Ashram, Ramassery. The programme commenced at 10:00 AM and concluded at 12:00 PM.

The event began with Manava Geetham, followed by a welcome address delivered by Mr. Puthussery Sreenivasan, Trustee, Gandhi Ashram. The presidential address was delivered by Dr. P. R. Suresh, Principal, ASET. The programme was inaugurated by Mr. Biju P. C., President, Elappully Grama Panchayat.

Felicitation addresses were delivered by Bhubaneswari Amma, Karshakasree Award Winner and Chairperson of Sarvodaya Kendram, and Mr. Narayanan T. S., who shared valuable insights on environmental conservation and sustainable living. The vote of thanks was proposed by Irfana, Volunteer Secretary, NSS Unit 311, ASET.

A major highlight of the programme was the 100 Saplings Plantation Drive, conducted in the premises of Gandhi Ashram. Students and faculty members from Ahalia School of Engineering and Technology (ASET), Ahalia School of Management (ASM), Ahalia School of Commerce and Mathematics (ASCM), Ahalia School of Optometry and Research Centre (ASORC), Ahalia Ayurvedic Medical College Hospital (AAMCH), Ahalia School of Pharmacy (ASP), and Ahalia School of Paramedical Sciences (ASPS) actively participated in the initiative.

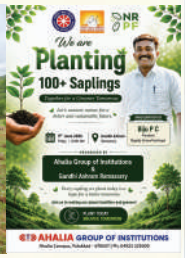

All the students cooperated enthusiastically in the plantation drive, contributing to the successful planting of more than 100 saplings. The programme effectively promoted environmental awareness and reinforced the importance of collective action towards building a greener and more sustainable future.

The celebration concluded with a renewed commitment from all participants to protect nature and contribute positively to environmental conservation.

Vijayotsav Winners' Rendezvous 2026

Ahalia Group of Institutions successfully organized "Vijayotsav Winners' Rendezvous 2026" at the AWACH Auditorium, Palakkad, to honour outstanding academic achievers from across the Palakkad region.

The programme celebrated students who secured 90% and above marks in the SSLC and Plus Two examinations, as well as students who achieved remarkable success in various competitive examinations. The event witnessed enthusiastic participation from students, parents, teachers, and well-wishers, creating an atmosphere of pride and inspiration.

The function was inaugurated in the presence of eminent dignitaries, including Smt. K. A. Thulasi, Minister for Welfare of SC/ST/BC, Sri. Adv. Sumesh Achuthan, MLA, Chittur, and Sri. A. Prabhakaran, MLA, Malampuzha, who felicitated the winners and congratulated them on their exceptional achievements.

Addressing the gathering, the chief guests appreciated the dedication and perseverance of the students and encouraged them to continue pursuing excellence in academics and life. They also commended Ahalia Group of Institutions for its initiative in recognizing and motivating young achievers.

Certificates, mementos, and tokens of appreciation were presented to the deserving students in recognition of their hard work and academic brilliance. The event served as an inspiring platform for students to celebrate their accomplishments and reaffirm their commitment to future success.

The management of Ahalia Group of Institutions expressed gratitude to the distinguished guests, participants, parents, faculty members, and organizing committee members whose collective efforts contributed to the grand success of the programme.

Through initiatives such as Vijayotsav Winners' Rendezvous, Ahalia Group of Institutions continues its commitment to nurturing talent, encouraging academic excellence, and empowering the next generation of achievers.

Faculty Publications

We are pleased to announce the publication of a book titled Supply Chain and Logistics Management authored by Mr. Vivek Gopi, Assistant Professor, Department of Mechanical Engineering. This book provides a thorough exploration of key concepts, strategies, and tools in the field of operations management, blending aca-

About Authors

Dr. Vivek Gopi is an academician and researcher with over 12 years of teaching experience in the field of Mechanical Engineering. He holds a Ph.D. in Industrial Engineering and is currently serving as Assistant Professor at Ahalia School of Engineering and Technology, Palakkad, Kerala.

His research interests include Lean Manufacturing, Sustainable Operations, Supply Chain Management, Industry 5.0, and Optimization Techniques. He has published 2 text books and several research articles in reputed international journals and actively contributes to academic and industry-oriented initiatives.

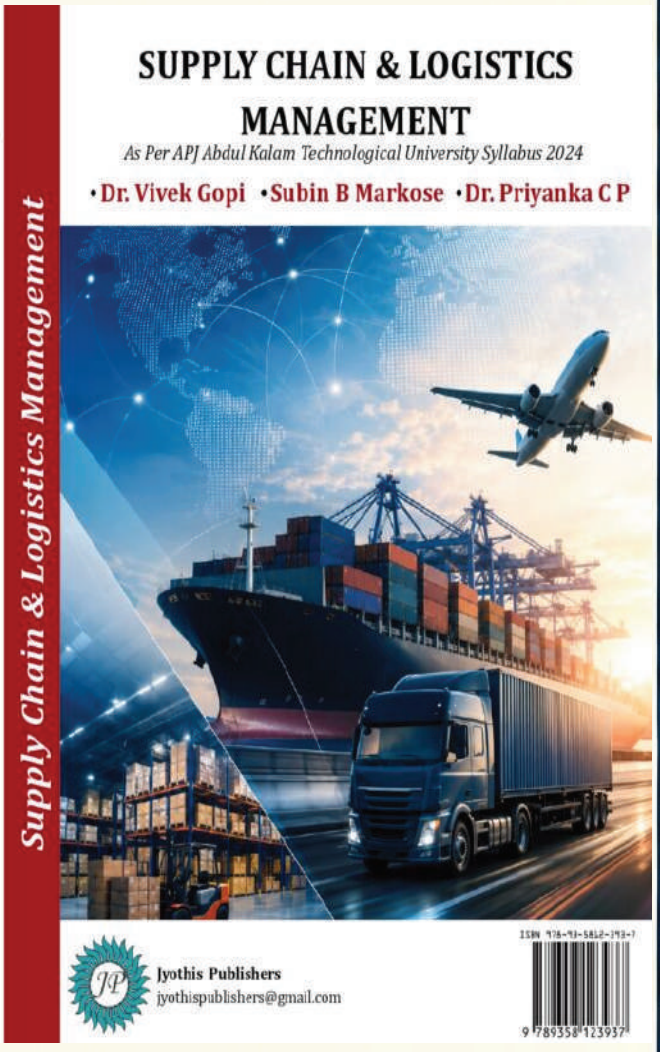

Subin B. Markose is an Assistant Professor in the Department of Mechanical Engineering at Carmel College of Engineering and Technology, Alappuzha, Kerala. He has over 10 years of teaching experience in the field of Mechanical Engineering and related disciplines.

He holds an M.Tech in Industrial Engineering and Management from Mahatma Gandhi University. His research interests include supply chain management, supply chain resilience, network disruptions, Interpretive Structural Modeling (ISM), and operations management, with a focus on enhancing organizational adaptability and performance in dynamic supply chain environments.

Dr. Priyanka C. P. is an Assistant Professor (Ad-hoc) in the Department of Mechanical Engineering at NSS College of Engineering, Palakkad, Kerala with over seven years of teaching experience. Her academic and research interests include Quality Engineering, Materials Science, Total Quality Management, and Operations Management.

She is actively engaged in teaching, research, and mentoring engineering students. She is committed to fostering innovation, interdisciplinary research, and excellence in engineering education.

Faculty Participation in FDP, Workshops

Dr. Krishna Kumar Kishor, Vice Principal participated in the Six-Day Online Faculty Development Programme entitled “Advanced Communication Systems: Shaping Next Generation Networks” organized by the Department of Electronics and Communication Engineering, Jyothi Engineering College (Autonomous), Thrissur, Kerala in association with The Institution of Engineers (India), Kerala State Centre & Indian Society for Technical Education (ISTE), from 9th - 16th June 2026.

DR. VIVEK GOPI participated in the Six Day Faculty Development Program on "Material Science in the Era of AI and Recent Trends" conducted by the Department of Mechanical Engineering, Sreepathy Institute of Management and Technology, Vavanoor, Palakkad, held from 22 June 2026 to 27 June 2026

NSS ACTIVITIES

Inauguration of the NSS Activities for the academic Year 2026-27 & Celebration of 'Vayana Dinam'

The formal inauguration of the activities of the ASET NSS Unit was conducted online (Google Meet)on 19.06.2026 , 8pm. The proposed activities for the academic year 2026-26 was officially inaugurated by the young poet, novelist and lyricist Sri. Murali.S.Kumar. It was followed by the keynote address by Sri. Murali in which he emphasised the relevance of reading even in this era of Artificial intelligence and robotics. In his presidential address, Dr.P.R.Suresh, Principal , ASET pointed out how the reading helps to frame our experiences to expertise and knowledge. The NSS program officer Sri. Vinodkumar officially welcomed the gathering. The meeting concluded with a vote of thanks extended by the NSS volunteer leader Ms. Meenakshi

Meditation and Yoga Session

The ASET NSS Unit organized an online Meditation and Yoga Session through Google Meet on 21.06.2026 at 8.30 PM in connection with International Yoga Day 2026.The session was handled by Sri. N. S. Ramprasad, who holds a PG Diploma in Yoga from Bharathiar University and an M.Sc. in Yoga from Tamil Nadu Sports University. He shared valuable insights on the importance of yoga and meditation for physical and mental well-being and guided participants through simple practices.The programme witnessed enthusiastic participation from NSS volunteers and students and was conducted successfully under the banner of the ASET NSS Unit.

MoU Signing Ceremony

The Department of Civil Engineering, Ahalia School of Engineering & Technology, signed a Memorandum of Understanding (MoU) with AWAS Group of Companies, Kollam, to strengthen academia–industry collaboration.

The MoU was signed in the presence of Dr. P. R. Suresh, Principal, Dr. B. V. Mathew, Head of the Department of Civil Engineering, Dr. Vishnu Vijayan, Director, AWAS Group of Companies, and all the faculty members of the Department of Civil Engineering. This collaboration aims to provide students with enhanced opportunities for internships, industrial training, expert sessions, collaborative research, skill development, and placements, bridging the gap between academics and industry.
